SEGELFLYGET	MOTION till förbundsmöte 2026	Ank: Nr:
Från: Malmö Segelflygklubb		Blad 1 ( )

Svenska Segelflyget borde har Grupp Försäkring som i de andra nordiska länderna.

Peter Cutting har lämnat denna text:

Denmark DSvU has **Forsikringsklubben for Svævefly** (FK). Until a year ago it handled claims under 150K DK. Bigger claims went to its underwriter HDI.

EU has now got involved making the above infeasible. So now HDI covers all claims but FK works with an insurance broker (Söderberg & Partners) to handle all membership administration. They seem to have negotiated a good deal with HDI.

For example, I currently pay approx. 50KSEK for 6 months flight insurance and 6 months ground insurance for my JS3 RES. (I am under-insured).

If I was in Denmark then FK would charge me half of that for 12 months flight insurance. (ground insurance is not normally available to keep admin low).

I have more detailed info in an email from
larssverrerasmussen@gmail.com president FK and
Anette Larsen, tel. +45 20 64 25 21 Administrator FK.

Group insurance offers a way to significantly reduce costs and thereby increase participation.

För MSFK
Anders Möller
Vice ordförande

Skall vara Svenska Segelflygförbundet tillhanda senast den 21 oktober 2026.
